Exhibition Rules and Regulations

1. EXHIBITION SPACE APPLICATION

The exhibition floor plan and the order form will be available online for download. Completed order forms should be submitted by email only. All exhibition space applications will be treated on a first come, first served basis, following the rule that corporate members will be allocated prior to non-members. Applications for exhibition space must be made by completing the order forms and by indicating:

Option 1 = 1st preference (please draw in plan including dimensions)
Option 2 = 2nd preference (please draw in plan including dimensions)
Option 3 = 3rd preference (please draw in plan including dimensions)

Please make sure you give us some more options instead of “just 3” especially – if possible – in different halls, to make sure to allocate you to one of your preferred spots.

These preferences serve as guidance only and the decision between these 3 options will be in the sole responsibility of the EANM Congress Management. In case all three of these options are already booked, the EANM Congress Management will inform you accordingly. Please note: The application process will continue and will NOT BE SUSPENDED until new preferences have been submitted.

2. TERMS OF PAYMENT / PAYMENT DEADLINES

- Upon confirmation of the ordered exhibition space, EANM will issue an invoice.
- Payment should be made by wire transfer to the bank account indicated in the invoice.
- Eurocheques, company cheques, personal cheques or credit card payments will NOT be accepted.
- Payment must be made free of charge for the beneficiary (EANM). All transfer fees incurred by the remitting, intermediary AND beneficiary bank must be covered by the remitter.

For exhibition space bookings made by April 14, 2020 the following payment deadlines apply:

Payment deadline full payment (100% without “splitting” in 1st and 2nd instalment): April 30, 2020
If you prefer to pay the invoice at once (without splitting), the total amount must be received in the EANM account by April 30, 2020 - in case the amount is not received in the EANM account by that date: 15% administrative charge of the total rental sum will fall due for payment and the reserved exhibition space will be automatically released and goes back into sale.

In case of payment splitting – payment deadline 1st instalment (50%): April 30, 2020
If the first instalment is not received in the EANM account by April 30, 2020 - 15% administrative charge of the total rental sum will fall due for payment and the exhibition space will be automatically released and goes back into sale.

In case of payment splitting – payment deadline 2nd instalment (50%): July 1, 2020
If the second instalment is not received in the EANM account by July 1, 2020 - the reserved exhibition space will be automatically released and goes back into sale. The first instalment will not be refunded.
For exhibition space bookings made on or after April 1, 2020, the following payment deadlines apply:

Payment of 100% of the booked space is required within 30 days from the invoice date (exact payment date will be stated on the invoice). If the payment is not received in the EANM account until the payment deadline stated on the invoice - the exhibition space will be automatically released and goes back into sale.

3. CANCELLATIONS/REDUCTION OF SPACE & REFUND POLICY

For any cancellation/size reduction a written notification (signed letter or email) must be sent to the EANM Executive Office. EANM will confirm the receipt.

Cancellations before April 30, 2020: 15% of the total rental sum.
Cancellations until (including) July 1, 2020: 25% of the total rental sum.
Cancellations as of July 2, 2020: 100% of the total rental sum, respectively 50% in the event that the cancelled space can be re-sold.

Any reduction of booked space will be treated as cancellation of the respective area at the same conditions as the above-mentioned entire cancellation of booked space.

In the event that EANM has to close the exhibition earlier or change the location, EANM will not be liable for any damage or loss incurred by exhibitors.

In the event that EANM has to close the entire technical exhibition, all pre-payments will be refunded to exhibitors, deducting expenses already incurred in preparation, according to the percentage determined by the Congress Management of EANM.

4. INSURANCE & LIABILITY

Exhibitors are liable for all damage caused by themselves, their staff, their visitors and clients and by their agents. Exhibitors have to indemnify EANM in all such cases. As EANM accepts no responsibility whatsoever for exhibitors’ property at the exhibition, we recommend making use of optional additional insurances.

5. LEGAL SITUATION

By ordering a booth (exhibition space) the exhibitor understands and agrees to these EANM Exhibition Rules and Regulations as a binding part of the contract for exhibit space. In all cases of dispute Austrian law is applicable and each party may submit the dispute to the competent court in the First District of Vienna, Austria; this court shall have exclusive jurisdiction on any such dispute arising out of or in connection with this agreement.
